

# BACK IN MOTION

---

## SUMMARY

Back In Motion believes that chiropractic is the future in preventative and regenerative health care. Our top priority is dedicating time and effort to help you achieve your health and wellness objectives.

# ABOUT THE COMPANY

Dr. Christopher Connolly has been a practicing Chiropractor in Virginia since 1995.

Our mission is to provide the best quality chiropractic care with ethics, integrity, professionalism, and true concern for our patients. Our role is to educate how chiropractic care affects health and quality of life. Our goal is to truly make a difference in the health and lifestyle of our community. Believing that the end result will be a world that is healthier and happier for all. Dr. Connolly strives to do his best to help patients reach their optimal level of health and a better quality of life.
